## MAXIMIZE YOUR POTENTIAL CLIMB TO GREATNESS

Paired with the new technologies, and powerful AC motor drive system to bring you the totally new exercise experience.

## DISCOVER YOUR UNLIMITED CAPACITY

Step by step, achieve your fitness goals. Take the stairs to a healthier you with our ST-22N.

## POWERFUL AC MOTOR DRIVE SYSTEM

It provides a smooth and consistent motion during workouts. It can handle higher speeds, making it suitable for a variety of fitness levels and training goals, resulting in improved endurance, strength, and overall fitness. Additionally, it's designed to be durable and reliable for long-lasting performance.

## ENJOY MORE VARIETY AND AGILITY

Sturdy structure and large step area allow users to perform exercise with more fun and utilize the entire stepping surface during workouts.

## LOW-IMPACT & FULL-BODY WORKOUT

In addition to being a low-impact form of exercise, the stair machine provides a comprehensive workout for multiple muscle groups in the lower body, including the legs, glutes, and core. This can lead to improved strength, endurance, and overall fitness.

## IMPROVES CARDIOVASCULAR HEALTH

Regular use of a stair machine can improve cardiovascular health by increasing heart rate, oxygen consumption, and VO2 max.
