HI-TECH TOUCH SCREEN

Paired with the new technologies, more accurate multi-touch interfaces to provide not only the high efficiency but also more entertainment in your workout routine.

DIGITAL TELEVISION (DTV)

Enjoy your favorite programs with higher efficiency and robustness while working out. The fitness equipment has a built-in digital TV module, which is preset to support DVB-T/T2 TV signals. Optional ATSC (8VSB & QAM B) signals.

VIRTUAL ACTIVE

Virtual Active is an expressive video experience which transports you to iconic trails, roads, cities, and landscapes, turning indoor exercise into an outdoor adventure to enhance your cardio workout.

PHYSICAL TEST

These are 6 different physical performance tests to measure the fitness level and assess muscular endurance and cardiorespiratory fitness consisting of PEB, GERKIN, IPPT, U.S. Army, Marine Corps and Navy.

WELL-KNOWN WEBSITES

Netflix App, 17 Well-known and popular news, streaming service, or social networking sites with big icons to easy control the touch screen with more entertainment in your workout routine.

REAL TIME WORKOUT

Deliver incredibly detailed performance feedback in real-time to stimulate your performance in each training that you can review to make better decisions for suitable training to reach your goal.

WIRELESS SCREEN MIRRORING

Making you workout more enjoyable and engaging via the screen mirroring technology. Audio and visual stimulation can improve fitness performance, make you focus even harder on your workout, and easier to push your body further.

INTERACTIVE WORKOUT APP

Become your own personal trainer to provide outstanding running experience with more entertainment with your smart devices which make an excellent workout companion to help you get healthy and stay fit.

GO WORKOUT! BE UNIQUE!

The smooth motion of the VE-22 adeptly reproduces the feel of running or jogging without the impact on the knees and joints.
